DETAILED ACTION

This is a supplemental action to correct errors made in the previous notice of allowance. Previously, claims 1-9 were allowed; however, a preliminary amendment by the applicant filed 05/04/2006 had cancelled claims 1-9 and presented new claims 10-18. Therefore, the allowance of claims 1-9 is withdrawn, and the allowance of claims 10-18 is detailed below.

Allowable Subject Matter

1. Claims 10-18 allowed.
2. The following is an examiner's statement of reasons for allowance: Claim 10 is allowable because the prior art fails to teach an electrospray structure with a capillary slot and a thin planar point, which point is provided with a capillary slot that terminates at the end of the point. Zimmerman (U.S. Patent 6,481,648) discloses a spray tip for a microfluidic chip, but fails to disclose an electrospray nozzle structure with a capillary slot and a thin planar point.
3. Claims 11-18 are allowable by virtue of their dependence on allowable claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
